* We perform packaging and testing of applications in English(EN), German(DE), French(FR) and Italian(IT) languages.
Where available we prefer to package Multilanguage(MUI) applications

** Available installers for application, possible options:
x86 - installer can be used only on 32-bit OS
x64 - installer can be used only on 64-bit OS
All - installer is x86 but it can be installed both on 32 and 64 bit OS

*** Available packaging technologies for each application. Please note that specified list can be extended with the other technologies which can be applicable for this application, for this case you can contact our support team support@softtailor.de
